

Parish News – September 2016

If you have any news you would like included in the monthly newsletter please send your copy to geoffreyfitch@hotmail.co.uk Also note that if your paper copy of the newsletter has disappeared you can always find it on the parish website www.wwl-pc.org.uk which is kept updated regularly by John Shepherd.

This last month has produced rather better weather than in previous summers and as a result the parish appears to have basked in sunshine and generated little news.

The Mystery Walk should rejuvenate the bronzed bodies with a spot of yomping around Lasborough's secret valleys. The walk will start at 6pm. on Thursday, September 8th at Lasborough Church when the ever-adventurous Paul Giddings will guide us around his idyllic childhood playground. In past years we have found a hidden icehouse, huge butter burr leaves with which the children festooned themselves and paths not normally accessible to the public. Stout shoes are required and well ordered dogs are welcome. The walk will conclude at Lasborough Manor Barn with a barbecue hosted by the Hewett family who have always done us proud in the past. Bring with you whatever you choose to drink together with a generous donation for the food. Also pray for good weather as you kneel and say your prayers on the Wednesday evening.

It is generally felt that cars are driven too fast down the village street causing unnecessary danger to children and pets but after lobbying County Highways for a 20 mph speed limit the Parish has now been told that this is not possible. To read the reasoning visit the parish website or look on the village noticeboards. A huge sign inviting motorists to drive slowly through the village has been placed on the redundant telephone box which might, over time, drive the message home.

The Golf Club ladies were very pleased to host Mary Henderson's Captains Day recently. Not only was the weather kind, the golf was entertaining and tea in the marquee was the usual jolly affair that one would expect when Mary is involved. It is to be hoped that despite relinquishing her post she will continue to come up from Bath to demonstrate her prowess on the fairways.
